## **SINK-NOT 350 FLOTATION FOAM**

**Sink-Not 350 is the only Flotation Roof Repair Process that:**

- Preserves your current flotation roof safely and easily
- Can be installed in a week or less while tank is in operation
- Eliminates the projected and budgeted down cycle
- Eliminates costly downtime, prep, construction, repairs and logistics
- Saves you millions of dollars over the life-time of your storage tanks

**Say Goodbye To This!**
